

**John Montgomery Landscape Architects of Alamo, CA
Receives
Best Of Houzz 2015 Award**

***Over 25 Million Monthly Unique Users Rated Top-Rated Home Building,
Remodeling and Design Professionals in the United States and Around the World***

Alamo, California, January 20, 2015 – John Montgomery Landscape Architects of Alamo has been awarded “Best Of Houzz” for Customer Satisfaction by [Houzz](#), the leading platform for home remodeling and design. The **Landscape Architecture firm** was chosen by the more than 25 million monthly unique users that comprise the Houzz community from among more than 500,000 active home building, remodeling and design industry professionals.

The Best Of Houzz award is given in two categories: Design and Customer Satisfaction. Design award winners’ work was the most popular among the more than 25 million monthly users on Houzz, known as “Houzzers.” Customer Satisfaction honors are determined by a variety of factors, including the number and quality of client reviews a professional received in 2014. Winners will receive a “Best Of Houzz 2015” badge on their profiles, helping Houzz users around the world who discover and love a professional’s work to learn even more about that business’ popularity and satisfaction rating among their peers in the Houzz community.

“We continue to enjoy working with Houzz and its many followers. Houzz continues to be an invaluable resource for us as well as our clients” – JMLA.

“Houzz provides homeowners with a 360 degree view of home building, remodeling and design industry professionals, empowering them to engage the right people and products for their project,” said Liza Hausman, vice president of industry marketing for Houzz. “We’re delighted to recognize **John Montgomery Landscape Architects** among our “Best Of” professionals as judged by our community of homeowners and design enthusiasts who are actively remodeling and decorating their homes.”

About John Montgomery Landscape Architects(JMLA)

John’s interest in design began when he was a boy constantly sketching ideas and observing how nature worked. As a native Californian he was an avid outdoorsman from an early age. While fishing, hiking, skiing and surfing, John paid close attention to the way landscapes were formed. Today, John strives to have each and every one of his projects reflect nature’s elegant beauty.

John takes pride in listening to his clients so that their unique vision is brought to life, he has a particular passion for creating spaces that enhance our lives; spaces that are relaxing,

rejuvenating, tranquil, playful, and timeless. John's ability to be current relies on his unique background of Art, Architecture, Construction and time spent in his garden to create leading edge designs.

John has been designing residential environments and public spaces for over 35 years. He has been licensed by the State of California Board of Landscape Architects (CLA #4059) since 1994 and is a member of the American Society of Landscape Architects.
