

**John Montgomery Landscape Architects (JMLA) of Alamo, CA
Receives
Best Of Houzz 2014 Award**

***Annual Survey and Analysis of 16 Million Monthly Users
Reveals Top-Rated Building, Remodeling and Design Professionals***

Alamo CA, February 4, 2014 – **John Montgomery Landscape Architects (JMLA)** of Alamo, CA has been awarded “Best Of Houzz” by Houzz, the leading platform for home remodeling and design. The 30 year old Landscape Architecture firm was chosen by the more than 16 million monthly users that comprise the Houzz community.

The Best Of Houzz award is given in two categories: Customer Satisfaction and Design. Customer Satisfaction honors are determined by a variety of factors, including the number and quality of client reviews a professional received in 2013. Design award winners’ work was the most popular among the more than 16 million monthly users on Houzz, known as “Houzzers,” who saved more than 230 million professional images of home interiors and exteriors to their personal ideabooks via the Houzz site, [iPad/iPhone app](#) and [Android app](#). Winners will receive a “Best Of Houzz 2014” badge on their profiles, showing the Houzz community their commitment to excellence. These badges help homeowners identify popular and top-rated home professionals in every metro area on Houzz.

"This award was a complete surprise! Houzz has been an invaluable resource for us as well as our clients" - JMLA.

“Houzz provides homeowners with the most comprehensive view of home building, remodeling and design professionals, empowering them to find and hire the right professional to execute their vision,” said Liza Hausman, vice president of community for Houzz. “We’re delighted to recognize **John Montgomery Landscape Architects (JMLA)** among our “Best Of” professionals for customer satisfaction as judged by our community of homeowners and design enthusiasts who are actively remodeling and decorating their homes.”

With Houzz, homeowners can identify not only the top-rated professionals like **John Montgomery Landscape Architects (JMLA)**, but also those whose work matches their own aspirations for their home. Homeowners can also evaluate professionals by contacting them directly on the Houzz platform, asking questions about their work and reviewing their responses to questions from others in the Houzz community.

About John Montgomery Landscape Architects (JMLA)

John’s interest in design began when he was a boy constantly sketching ideas and observing how nature worked. As a native Californian he was an avid outdoorsman from an early age. While fishing, hiking, skiing and surfing, John paid close attention to the way landscapes were formed. Today, John strives to have each and every one of his projects reflect nature’s elegant

beauty.

John takes pride in listening to his clients so that their unique vision is brought to life. He has a particular passion for creating spaces that enhance our lives; spaces that are relaxing, rejuvenating, tranquil, playful, and timeless. John's ability to be current relies on his unique background of Art, Architecture, Construction and time spent in his garden to create leading edge designs.

John has been designing residential environments and public spaces for over 35 years. He has been licensed by the State of California Board of Landscape Architects (CLA #4059) since 1994 and is member of the American Society of Landscape Architects.
